NEW! MinuteMenuHX is being moved to KidKare

Dear Home Sponsor,

We are excited to share some new developments to KidKare!

As part of our ongoing efforts to provide you with the best tools and features, we will be integrating Minute Menu HX functionality into KidKare, making it your one-stop solution for all your Food Program needs.

Additionally, we're thrilled to announce that we've already begun transition of Minute Menu HX Reports to KidKare.

✅ **Benefits of Using KidKare:**

1. **Web-Based Solution:** KidKare is a web-based solution, allowing you to access your work from any internet-enabled device. Whether you're at home, in the office, or on the go, you can easily manage your childcare operations with ease.
2. **Up-to-Date Functionality:** Say goodbye to software updates! With KidKare, all functionality will be continuously updated, ensuring that you always have access to the latest features and improvements without any manual updates required.
3. **Accessibility:** KidKare offers unparalleled accessibility. You can access KidKare anytime, from anywhere, and on any device – whether it's a mobile phone, tablet, or laptop – as long as you have an internet connection. This flexibility allows you to stay connected and productive no matter where you are.
